

In an effort to enhance communication within the community, we encourage all CA members to sign up for the "What's New with the CA". The Long-Range Planning Committee (LRPC) will be conducting multiple surveys via Survey Monkey and will use the same contact list from the CA. The LRPC prefers to have each CA member complete their own survey (not one per household). We want to hear from everyone!

To receive "What's New with the CA" News via email:

1. Go to the CA Office (1009 N. Pebble Beach Blvd) and see the receptionist. He will provide the proper form for completion.
