The Landscape and Signage Committee has surveyed all of our properties and developed a priority list. Our intent is to have "landscaping" be a continual long-term project for our community. We may have an opportunity to improve signage in our community. More to come on this.

Focus Groups - our next Focus Group will be held with the CLDs on April 4th at 1:30 pm in the Caper Room. We want to gain insight from the CLDs to help us recognize specific club needs and wants. One representative from each club will be invited.
